

Cinematic Photographer Prompt

Image Model: GPT Image 2

Prompt :

Ultra-realistic cinematic portrait of a young man holding a vintage rangefinder camera close to his face, slightly tilted pose, intense calm expression, curly wet hair falling on forehead, wearing a black coat over a white inner shirt. Moody low-key lighting with soft shadows, warm skin tones, dark minimal background, shallow depth of field, 50mm lens look, sharp focus on face and camera, film grain texture, aesthetic editorial photography, high detail, 4K quality.
